The NGO/DPI Executive Committee, an eighteen member elected body, represents your interests as Non-Governmental Organizations associated with the United Nations Department of Public Information (DPI). The Executive Committee, which acts in an advisory and liaison capacity with DPI, meets at the UN Headquarters in New York each month, from July to June to discuss matters of interest and concern to NGOs associated with DPI. It is now preparing to hold its annual elections.

**NGOs associated with DPI are invited to nominate candidates for election as members of the Executive Committee** for a period of two years, 1 July 2017 to 30 June 2019. Candidates for the Officer positions of **Chair and Secretary** and six (6) positions of **Director** are to be elected for that two-year term. Efforts will be made to organize meetings through electronic means should there be elected members who do not live in the New York area.

A candidate may be nominated by his/her own NGO associated with DPI, which must be in good standing with DPI. A candidate, with endorsement from his/her NGO associated with DPI, may also be nominated by a representative of another NGO associated with DPI. Eligibility requirements for nominees are:
